Greetings, Malo e le lei, Talofa, Tena koutou

Athletics next week Wednesday 2nd November. The long range forecast is good so we hope to see many of you there supporting your children.

Teachers Union Meeting

The Teachers Collective Agreement expired in June of this year. The union is currently negotiating on behalf of teachers for a new agreement. The union has called for a meeting to give teachers a chance to hear an update on negotiations and to discuss which of our claims are to be prioritized the most. To do this effectively we need the chance to get together and make some decisions. We want the teaching profession to be an attractive and sustainable career option for great people.

The meeting is scheduled for Tuesday November 15th at 1.30 p.m. We are asking parents to pick children up at 1.00 p.m. that day so all teachers can attend the meeting. I thank you in advance for your support.

Teacher appreciation day, Friday 28th October

This Friday we are celebrating international teachers day. At school we will be putting on a morning tea for staff. It would be great if you could discuss what appreciation means with your children and get them to maybe make a small card or write a short message to their teacher. I know I appreciate the work they do with your children. It is not an easy job and they work hard to ensure your child feels valued. They try their best to design learning activities that meet the needs of your child to support their learning.

Assemblies

Each Friday at 9.00 a.m. we have a short assembly which celebrates student achievements and show cases some of the work done by students. Parents / caregivers are welcome to attend our assembly which goes for around half an hour. Be great to see you there.

Board of Trustees

Our last meeting was held on Tuesday. We received a report on an aspect of social studies which looked at building students knowledge of Aotearoa New Zealand. It was designed for children to learn about some of our more significant landmarks towns and cities. It was great to see the growth in their knowledge of last term. At home you could also look at maps and discuss local and other places of national significance. A survey will come home early next week reviewing our concerns and complaints policy. If we get this right it help resolve any arising issues.

Home and School

Home and School are meeting next week. Tuesday 1st November at 7.00 p.m. in the school staffroom. All welcome.

Have a great Weekend
