

Greetings

Thank you to those who supported our students at the swimming sports. Six students represented our school at the North Otago swimming sports yesterday. We are awaiting the official results.

Home and School Easter Raffle

There are still a lot of outstanding raffle cards in peoples homes, student bags etc. Please get them back even if you haven't sold them all. We are still accepting donations for the prizes as we like making them great. The raffle will be drawn next week.

Parent teacher interviews

Lots of forms have been returned with requests for the most suitable times. We will be doing our best to accommodate your preferred times. Interviews are scheduled for **Thursday 4th April 1.00 to 6.30 p.m.** Please get the forms back we want to see all parents.

We are requesting students are picked up at 12.30. There will be supervision for those who have to remain at school.

Paid Union Meeting yesterday

Thank you for supporting our teachers to attend the meeting yesterday. There was lots of discussion on the direction the current Govt. has in Education. We are tired of being a political football. We are tired of elected government officials thinking they know more than teachers and principals about the important things in education. At the same time we are being told Education is having to have funding and staffing cuts. There is never enough money to support our students with learning needs in a sustainable way. We need better resourcing not more changes.

School Board meeting

Our next meeting is scheduled for Tuesday April 9th. 7.00 p.m in the staffroom. If you are interested in learning more about being a Board member come along.

Term break support

Youthtown run a school holiday programme in our school hall. Details on contacting them available in the office. There are good subsidies available if you qualify.
