

Malo e le lei, greetings

Easter Tuesday School Closed

School will be closed on Tuesday next week and is called Easter Tuesday. Usually this happens in the Term 1 break. However some years Easter is earlier as it is this year. It has been part of the Education act for over 60 years and is a requirement for schools to close. Personally, I suspect that it goes back to when we had a three term year and term 1 was 15 to 16 weeks long. Thus having a mid term break. (Not that I was teaching 60 years ago) We apologise for any inconvenience. School as normal from

Wednesday 3rd April.

Our last touch games were held on Tuesday evening. A big thank you to Mr. Walkinshaw for his organization. A huge thank you to the parents who were able to help during the term to manage the teams.

Winning vs competing

It is great to win but is also great to compete. Our values support us doing our best at all times. If we have done our best and been supportive of each other's efforts we can applaud ourselves. Last week we had four teams compete in an interschool rippa rugby competition. The feedback I have had is that our children were great competitors and great sports. As a bonus one of our year 5-6 teams won the competition and go on to compete at a higher level. Our year 3-4 team also did well coming second in the competition.

I want to thank Miss Tahaafe for her organizational work and all the parents and relatives who stepped up to manage the teams on the day. (You are the champions!)

Easter raffle

A big thank you to the Home and School committee.

Last night we organized and drew the prizes. A big thank you to the committee who support our school through these efforts donating to the school so your children can have extras.
